

Holiday Loaner Processors

If you are going away on holiday you might like to take a spare processor with you, loaded up with your most recent programmes. The implant companies run a holiday loaner service.

MED-EL

Loaner processors are £25. Contact AIS and we will send you the forms you need. Once you have filled in the forms, please send direct to MED-EL.

Cochlear

There are a range of charges for loaner processors starting from £20. Contact AIS and we will send you the forms you need. Once you have filled in the forms, please send direct to Cochlear.

AB

There are a range of charges for loaner processors starting from £30. Contact AIS and we will send you the forms you need. Once you have filled in the forms, please send direct to Advanced Bionics.

Neurelec

Loaner processors are available, please contact AIS.

For all devices, please allow plenty of time for the processors to reach you, especially if you are going away during a school holiday period; at least two weeks notice is needed.
