

## Southampton Business School Peer Learning: Budgeting for Students

Date: \ \	Time: From-                      To-	Location:
<b>Aims of the session</b>	<p><b>Session 2 is designed to be open to what students want to do. The theme is university life. Two options are:</b></p> <p style="padding-left: 40px;"><b>1) Campus tour Or</b> <b>2) A student budgeting session.</b></p> <p><b>There will not be time to do both so make sure you ask students what they would find most useful.</b></p> <p><b>An idea might be to do the budgeting session but to give students a quick overview about all the important places on campus that they should visit.</b></p> <p>Learning aims:</p> <ul style="list-style-type: none"> <li>● Help students become familiar with campus and where to find useful places.</li> <li>● Provide student with an understanding of how students can budget and give them useful tips for the future.</li> <li>● Help them start a conversation about budgeting</li> </ul>	
Timing	Activities	
Campus Tour  (45 mins)	See Campus tour folder for a route map. This will probably take 30 minutes or so to complete. You may wish to do another quick ice breaker before heading out around campus. Make sure you stop at key places around campus and explain what is there and why they might use it.	
Student finance session (45 mins)	See personal finance folder for a separate session plan specifically for the student budgeting session	
Anything else	Any ideas that students come up with about help they want. Feel free to design your own session.
