

**What will you revise and when?**

Simply use this timetable template to write down an overview of what you will revise each day in the build up to exams. Include things such as: what topics to revise when, when to do past papers and any other revision classes/activities you may do. You may wish to start later than 8 weeks in advance and make sure you do not overdo the revision.

	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday	Sunday
8 weeks to go							
7 weeks to go
